

AC 2 Speed Planetary Drawworks U-Shape - Parallel Drum & Motor Layout

Features

- **Small Footprint, lightweight Compact Design**
- **2 Speed Design: High Speed for Drilling and Tripping
Low Speed for Casing and Pulling on Stuck Pipe**
- **Best Utilization of Installed Power**
- **Large Drum Diameter to Improve Cable Life**
- **4 Quadrant Operation AC Motor**
- **Fail Safe Parking and Emergency Brake**
- **Highly Reduced Maintenance Requirements**
